How did you hear about us? _____			
Move type			
___ Will we be moving boxes <i>and</i> the big stuff (everything), or			
___ <i>Just</i> the big stuff (things that require 2 guys to carry)?			
Do you have any unusually large, heavy, or bulky items? I.e. Piano, Gun Safe, Swing Set, Grandfather clock, Pool Table, Big Screen TV, Exercise Equipment, Hospital Bed, Other.			

Which best describes the distance from your front door to where we will park our truck at the **load** address?

1 You can back up to my front door

2 You can park in my drive

3 You will have to load from the street

4 The parking lot is always full and very busy so you will have to move your truck many times, plus I live at the end of a very long courtyard.

Which best describes the distance from your front door to where we will park our truck at the **unload** address?

1 You can back up to my front door

2 You can park in my drive

3 You will have to load from the street

4 The parking lot is always full and very busy so you will have to move your truck many times, plus I live at the end of a very long courtyard.

Anything else that might affect the time spent on your move?
